End Application:

Lgm-30f/g rocket motor sr19-aj-1

Product Name:

Pressure transducer test set

Special Features:

To name: test set, pressure transducer

Functional Description:

Used to electrically test pressure transducers

Reference Data And Literature:

To 2k-sr19-3 & 33d9-75-5-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
