End Application:

4925-01-064-8470

Product Name:

Buffer module assembly

Nuclear Hardness Critical Feature:

Hardened

General Description:

Cable assembly, emulator to buffer 2; cable assembly, buffer to target conn, 9900 2; target connector; enclosure, modified 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
