**Mounting Type:**

Ceiling or wall

**Accessory Components And Quantity:**

Ball stop

**Design Type:**

Inclosed

**Reel Actuation Method:**

Compressed air

**Delivery Hoselength:**

16.000 feet

**Reel Inlet Thread Characteristics:**

1/2in. Npt female thread

**Reel Outlet Thread Characteristics:**

3/4in. Npt female thread swivel

**Special Features:**

24.375in. High; 21.625in. Deep; 4.500in. Wide; base is 11.000in. By 4.625in.; 625psi working pressure' control handle with totalizing meter; service motor oil

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T273-f
