Mounting Type:

Ceiling or wall

Accessory Components And Quantity:

Ball stop

Design Type:

Inclosed

Reel Actuation Method:

Compressed air

Delivery Hoselength:

16.000 feet

Reel Inlet Thread Characteristics:

1/2in. Npt female thread

Reel Outlet Thread Characteristics:

3/4in. Npt female thread swivel

Special Features:

24.375in. High; 21.625in. Deep; 4.500in. Wide; base is 11.000in. By 4.625in.; 625psi working pressure' control handle with totalizing meter; service motor oil

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T273-f
