Body Material:

Aluminum

Integral Strainer:

Included

Furnished Items And Quantity:

Cap, dust, 1

Design Type:

Lever handle, manual control

Tube Material:

Brass

Spout Type:

Rigid

Special Features:

2.500 in. Id inlet, flanged, 45deg angle, swivel capability; short handle grips

Specification Data:

81349-mil-n-5877d government specification

Specification Or Standard:

D-1 type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T293-e
