Basic Material:

Steel

Design Type:

Straight

Swivel:

Included

Dispensing End Type:

Nozzle

Inlet Fitting Connection Type:

Hydraulic coupler

Nozzle Connection Type:

Hydraulic

Swivel Degree:

360.0

Locking Positions:

Not included

Extensionlength:

Between 5.500 inches and 6.750 inches

Extension Design:

Included

Flexibility:

Flexible or rigid

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T293-n
