Inlet Connection Type:

Threaded

Filtering Material:

Aluminum alloy

Design Type:

Vertical

Inlet Connection Quantity:

2

Pressure Rating:

7.5 pounds per square inch

Outlet Connection Type:

Threaded

Adapter:

Not included

Tank Material:

Aluminum alloy

Water Separating Media Material:

Aluminum alloy

Accumulator Sump Quantity:

1

Accumulator Sump Water Discharge Operation Method:

Automatic

Special Features:

USED-ON-235-0010

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T384-b
