Overall Height:

230.0 millimeters

Overall Width:

108.0 millimeters

Lubrication Spray Type:

Micro-fog

Maximum Operating Temp:

80.0 degrees fahrenheit

End Application:

Crane, bridge

Bowl Capacity:

1.000 quarts

Line Connection Thread Size And Series/type Designator:

0.750 nptf

Product Name:

Norgren micro fog lubricator

Bowl Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520a0
