**End Application:**

Large volume pre-oiler; lubricating unit 01-374-2515

**Criticality Code Justification:**

Agav

**Product Name:**

(inavy)strap, tie down, aircraft

**Special Features:**

Specification control drawing; tie down assembly; length is 64inches; strap material-2 inch cordura polyester; all metal parts-steel, zinc plated; safe working load-1100pounds

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
