Body Material:

Aluminum

Design Type:

Lever handle, self sealing

Inlet Thread Size:

1.000

Inlet Thread Series Designator:

Npt

Inlet Thread Location:

Internal

Tube Material:

Aluminum

Spout Type:

Rigid

Special Features:

Disc and seals are nitrile and viton, plated steal lever

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T293-e
