Integral Strainer:

Not included

Design Type:

Lever handle, manual control

Spout Type:

Rigid

Product Name:

Pressure fueling nozzle

Special Features:

D-1 45deg nozzle with universal inlet coupling 47566; 2.5in dia

Reference Data And Literature:

Manufacturer catalog data

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T293-e
