End Application:

Servicing equipment group; fuel servicing unit servicing group

Product Name:

Vapor system vent; outbreathing vent; vent, auxilliary

Special Features:

Vent is designed to bolt to a standard 4in tima outlet flange: item includes body (aluminum) p/n 26382al ; disc holder assembly (alum/buna-n) p/n 17210ab; spring (steel e coated) p/n 17192ey; stem (stainless) p/n 17204sl; spring retainer (aluminum) p/n 17051al; spirol pin 3/16 x 1 (stainless) p/n 9q5901; hex nut 3/8-16unc-2a thd (stainless) p/n 9q5809

Material:

Aluminum and rubber natural

Supplementary Features:

Opening pressure 1 psig; venting capacity air 51, 000 cu ft hr/3 psig

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
