Design Type:

Self-measuring

Pump Type:

Diaphragm

Pump Head Body Mounting Method:

Threaded ring

Discharge Fitting Type:

Flexible hose plain end

Product Name:

Hand pump assembly

Special Features:

Nha is r10280 deliming bottle assembly

Reference Data And Literature:

Blodgett combi bcs-6 and cos-6 replacement parts list

Supplementary Features:

Plastic construction

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-p
