## NSN 4930-01-599-2770

Power Operated Lubricating Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4930-01-599-2770

Operation Method:
Air
Lubricant Tank Capacity:
120.0 pounds
Lubricant Hose:
Included
Developed Grease Pressure To Applied Air Pressure Ratio:
Will dispense 45 ounces or 80 cubic inches of nlgi 0-2 grease per minuteat 150 psi
Product Name:
High-pressure heavy-duty grease pump
Special Features:
Height: 43 1/8 in, base: 17 in square
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T293-k
