Overall Length:

1.60 inches

End Application:

Mycelex bilge filter p/n mx- (20) -316ss-eeep

Screw Thread Series Designator:

Npt

Product Name:

Adjustable snubber

Special Features:

Max working pressure 5, 000; thread lg 0.50 in.; thread size 0.25 in.

Material:

Steel, corrosion resisting, aisi 316

Material:

Steel comp 316

Material Specification:

Aisi 316 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-n
