**Overall Length:**

1.60 inches

**End Application:**

Mycelex bilge filter p/n mx- (20) -316ss-eeep

**Screw Thread Series Designator:**

Npt

**Product Name:**

Adjustable snubber

**Special Features:**

Max working pressure 5, 000; thread lg 0.50 in.; thread size 0.25 in.

**Material:**

Steel, corrosion resisting, aisi 316

**Material:**

Steel comp 316

**Material Specification:**

Aisi 316 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T179-n
