Overall Width:

9.25 inches

End Application:

F-15sa

Product Name:

Static discharge reel

Special Features:

Cable: 75 ft., 3/32 inch dia., 7x7 galvanized cable, yellow hytrel jacket, reel color: forest green, clamp: mil-c83413/7; electrical resistance: 10 ohms max. (clamp to mounting base), oper. Temp. Range: minus 65 deg. F to 125 degrees f., storage temp. Minus 80 deg. F to 160 deg. F.

Material:

Steel

Surface Treatment:

Zinc

Specification Data:

A-a-50696 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T12400
