Overall Length:

3.750 inches

Overall Height:

1.125 inches

Overall Width:

3.000 inches

Component Type And Quantity:

2 connector

Special Features:

Plug-in type; circuit card 1, synchro motor 1; test set, fire control system acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
