**End Application:**

Gyroscope assembly 870060-101-2

**Product Name:**

Scale support prebalance check fixture

**Functional Description:**

Supports balance during float assembly pre-balance operations

**Reference Data And Literature:**

To 5n18-15-3

**General Description:**

Aluminum alloy, 10.000 in. By 14.000 in. By 15.250 in.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
