End Application:

Missile agm-86b

Product Name:

Plug, pitot static adapter

Functional Description:

Used at intermediate and depot to isolate pneumatic leaks in the pneumatic hose set, pitot static adapter, will allow no leakage between plug and the adapter o-ring, will retain pressure up to 42 hg porm 1 hg

Fsc Application Data:

Pitot static adapter part no. 232-9746

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
