Overall Length:

13.000 inches

Overall Height:

8.000 inches

Overall Width:

12.000 inches

End Application:

Agm-86b

Product Name:

Test set, high accuracy tracking system

Special Features:

Operating time 4 to 7 hours

General Description:

32 lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
