Overall Length:

1.46 feet

Overall Height:

1.38 feet

Overall Width:

0.94 feet

End Application:

Lgm118a

Special Features:

Test flow meter assembly

Functional Description:

Provides stability for testing the accuracy of the gccu test bench

Reference Data And Literature:

Drawing no. 407-53893

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
