Overall Length:

7.920 inches

Overall Height:

0.090 inches

Overall Width:

3.200 inches

End Application:

Part number 11456563

Material:

Aluminum

General Description:

Part name assigned by manufacturer plate, mounting, electrical connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
