End Application:

F-4 acft; an/asm-195 & -204 series air data computer test sets

Functional Classification:

Aa-8.4

Functional Description:

Used to connect the an/psm-15 pneumatic test set to the air data computer test fittings

Entry Date:

74-02-01

Reference Data And Literature:

To 33d7-3-42-4 & navweps 17-15cad-36

General Description:

No power reqd

Type/model Designation:

Mk-638/asm-62

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
