End Application:

Laser maint kit mk-1664/aaq-7 & an/asq-145 (v)

Product Name:

Optical pulse detector

Special Features:

Provides for detecting optical pulse output from the laser illuminator

Reference Data And Literature:

To 33d7-1-191

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
