**End Application:**

Aircraft electrohydraulic pressure control valve series 1056350

**Inclosure Type:**

Case

**Special Features:**

Magnet charger and yoke

**Functional Description:**

Used to recharge frame and magnet assembly during assembly

**Reference Data And Literature:**

To 4ba4-95-3; 9h8-30-116-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A31600
