| Overall Length:        |
|------------------------|
| 6.000 inches           |
| Overall Height:        |
| 2.750 inches           |
| Overall Width:         |
| 6.000 inches           |
| Current Type:          |
| Ac                     |
| Automatic Cycle Timer: |
| Not included           |
| Voltage In Volts:      |
| 115.0                  |
| Frequency In Hertz:    |
| 60.0                   |
| Shelf Life:            |
| N/a                    |
| Unit Of Measure:       |
|                        |
| Demilitarization:      |
| No                     |
| Fiig:                  |
| T264-a                 |
|                        |
