End Application:

Guided missile flight controller 232-11270-21

Special Features:

To name: interface set, ests avionics adapter to guided missile flight controller

Functional Description:

Interfaces ests avionics adapter to ests

Reference Data And Literature:

To 5a9-2-58-3

Fsc Application Data:

Missile agm-86b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A537k0
