Overall Length:
Any acceptable
Handle Material:
Any acceptable
Housing Material:
Steel
Fungus Resistant Treatment:
Included
Accessory Components And Quantity:
18/3 wire core 8 ft type sjt and plug; storage case; horizontal stand
Switch Functional Positions:
Fan on-off and heating element on-off
Tempurature Rating:
Between 350.0 degrees fahrenheit and 850.0 degrees fahrenheit
Switch Quantity:
1
Wattage Rating:
Any acceptable
Heating Element:
Included
Hot Air Thermostatically Controlled Feature:
Included
Suspension Feature:
Included
Product Name:
Heater, gun type, electric
Phase:
Single
Frequency In Hertz:
60.0
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T276-d
