Handle Material:

Plastic

Switch Quantity:

3

Wattage Rating:

1500.00 watts

Heating Element:

Included

Hot Air Thermostatically Controlled Feature:

Included

Special Features:

Continually variable temperature of 120 deg. F to 1100 degrees f and voltage 120 v ac. And includes 39 mm reflector nozzle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T276-d
