End Application:

Blast cleaning machine, model sbc-7236, pn: 260-1004g

Unit Package Quantity:

32

Component Quantity:

71

Product Name:

Air pkg, 7236dhc/sbc

Special Features:

Includes gauge, air valve, regulator, air blow gun, blast gun assembly., airfilter and various fittings

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
