End Application:

NSN4-94-001-4549

Product Name:

Cable reel, electrical, special

Special Features:

Indoor and outdoor use; weatherproof nema 4x slip ring enclosure; heavy all steel construction; numbered terminal blocks; formed steel stand with multiple mounting holes; 4 roller, adjustable 12 position cable guide arm; r-series slip ring 35 amp/600 volt; one conductor grounded to reel; 15.0 in. Nom. Height; 14.5 in. Nom. Length; 13.5 in. Dia. Reel

Functional Description:

Used for medium to heavy duty industrial applications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
