**End Application:**

NSN4-94-001-4549

**Product Name:**

Cable reel, electrical, special

**Special Features:**

Indoor and outdoor use; weatherproof nema 4x slip ring enclosure; heavy all steel construction; numbered terminal blocks; formed steel stand with multiple mounting holes; 4 roller, adjustable 12 position cable guide arm; r-series slip ring 35 amp/600 volt; one conductor grounded to reel; 15.0 in. Nom. Height; 14.5 in. Nom. Length; 13.5 in. Dia. Reel

**Functional Description:**

Used for medium to heavy duty industrial applications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23800
