End Application:

Ultrasonic cleaner

Portability:

Portable

Design Type:

Ultrasonic

Tank Capacity:

18.000 gallons

Product Name:

Cleaner, ultrasonic

Special Features:

Console 28in. X 22in. X 39in. H.; tank 24in. X 14in. X 12in. D.; basket 22in. X 13in. X 5in. H.; 1500w, 120v/3000w, 230v; stainless steel construction; square wave ultrasonic circuitry; potted transducers; full cycle, automated, single load, plc-controlle (reprogrammable)

Type/model Designation:

E889

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T276-e
