**End Application:**

Ultrasonic cleaner

**Portability:**

Portable

**Design Type:**

Ultrasonic

**Tank Capacity:**

18.000 gallons

**Product Name:**

Cleaner, ultrasonic

**Special Features:**

Console 28in. X 22in. X 39in. H.; tank 24in. X 14in. X 12in. D.; basket 22in. X 13in. X 5in. H.; 1500w, 120v/3000w, 230v; stainless steel construction; square wave ultrasonic circuitry; potted transducers; full cycle, automated, single load, plc-controlle (reprogrammable)

**Type/model Designation:**

E889

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T276-e
