**Product Name:**

Unijet high pressure tungsten carbide orifice spray tip

**Special Features:**

Common applications, evaporative cooling, moistening, humidifying, misting, gas cooling, min psi 400, max psi 2000, net weight 2-1/2 ozs

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
