Product Name:

Unijet high pressure tungsten carbide orifice spray tip

Special Features:

Common applications, evaporative cooling, moistening, humidifying, misting, gas cooling, min psi 400, max psi 2000, net weight 2-1/2 ozs

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
