Overall Length:

12.000 inches

Overall Height:

11.500 inches

Overall Width:

10.000 inches

End Application:

Advanced seal delivery system facility

Voltage In Volts And Current Type:

117.0 ac

Product Name:

Tabletop ultrasonic cleaner

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
