Paint Spray Gun Fluid Needle Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4940-01-621-8792

Overall Length:						
2.56 inches						
Overall Width:						
3.00 inches						
Product Name:						
Needle valve						
Special Features:						
Screw in, cartridge style, va	ariable orifice,	hydraulic flow restrictor valve	e; operating pressure-24	40 bar (3500 psi);	temperature: -40 t	to 120
degrees celsius						
Material:						
Steel						
Surface Treatment:						
Zinc						
Shelf Life:						
N/a						
Unit Of Measure:						
Demilitarization:						
No						
Fiig:						
A23900
