Maximum Operating Temp:

115.0 degrees celsius

End Application:

5180-01-518-7339

Portability:

Portable

Design Type:

Liquid

Heating Method:

Electrically

Product Name:

Mobile heavyweight bioremediating parts washing system

Functional Description:

Parts washing system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T276-e
