Dust And Moisture Seal Protective Cover - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4940-01-657-5733

Overall Thickness:
1.024 inches

End Application:
Howitzer, medium, self-propelled

Closed Enddiameter:
1.102 inches

Features Provided:
Weather resistant

Product Name:
Cover, dust

Material:
Aluminum alloy

Material Specification:

Mil-dtl-38999 military specification single material response

Shape:

Round

**Specification Data:** 

81349-mil-dtl-38999 government specification

Shelf Life:

N/a

**Unit Of Measure:** 

--

**Demilitarization:** 

No

Fiig:

A539s0

Mil-std (military Standard):

Mil-dtl-38999 spec.
