Overall Length:

7.000 inches

Unit Type:

Integral cutters

Cutter Type:

Compound lever, center cutter

Cutter Design:

Integral

Cutter Shape:

Round

Environmental Attribute Code:

Plastics removal in the marine environment (prime) product

Specification Data:

05047-asme b107.11 professional/industrial association standard

Specification Or Standard:

4 type and 1 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T294-w
