Overall Length:

3.000 inches

Overall Height:

0.500 inches

Overall Width:

1.750 inches

End Application:

Cv-22b se and hv-22bx type aircraft

Criticality Code Justification:

Agav

Product Name:

Inavy) special wrench

Special Features:

Tool has squared driver hole of 0.503 to 0.508 inches and a rectangular tool work hole 1.020 x 0.762 inches (tolerance is +/- 0.005 inches)

Material:

Stainless steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
