Overall Length:

6.330 inches

Overall Height:

0.500 inches

Overall Width:

0.500 inches

End Application:

T-45c aircraft se

Criticality Code Justification:

Agav

Product Name:

Inavy) tool, installation pin

Special Features:

For installing tapered pin in brake master cylinder plug

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
