Overall Length:

5.000 inches

Pin Diameter:

Between 0.207 inches and 0.218 inches

Opening Diameter:

1.500 inches

Material:

Steel

Surface Treatment:

Oxide

Style Designator:

Pin

Specification Data:

81343-sae as6018 professional/industrial association standard

Specification Or Standard:

2 type and 1 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A102a0
