Overall Length:

6.000 inches

Unit Type:

Screwdriver

Working End Quantity:

2

Special Features:

One end has 5/16 in. Lg by 1/16 in. Diameter steel pin through rod at right angle to end

Supplementary Features:

Body material is composition fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536j0
