Overall Length:

4.125 inches

Overall Diameter:

0.500 inches

Features Provided:

Adjustable stroke

Special Features:

Without plastic knob

Material:

Steel

General Description:

Adjustable stroke; no hammer required

Specification Data:

05047-asme b107.400 professional/industrial association standard

Specification Or Standard:

2 type and 3 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
