Overall Length:

2.500 inches

End Application:

Hydraulic motor 901148-5 & -6

Special Features:

To name: shaft bearing press installation tool; used to press fit bearing onto rotating assembly

Reference Data And Literature:

To 2ja3-51-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
