End Application:
Aircraft main landing gear shock strut assembly series 19025 & 8852962
Drive Surface Size:
0.500 inches single end
Drive End Shape:
Square single end internal
Product Name:
Wrench
Functional Description:
Used to install cap retainer part no 19103
Material:
Steel
Reference Data And Literature:
To 4s1-99-3
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A102a0
