End Application:

F-106 aircraft nose landing gear shock strut assembly

Opening Diameter:

3.3120 inches

Hook Thickness:

0.188 inches

Product Name:

Wrench

Functional Description:

Used to remove nut 578607-1

Material:

Steel

Reference Data And Literature:

To 4s2-50-3

Style Designator:

Hook

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A102a0
